## **'Working in Partnership for a Safer City'**

### A MECHANICAL KILLER

CITY  
WIDE

I think that we would all agree that we would struggle without our cars. They get us to work, they hold all of the shopping after the weekly supermarket trip, and they take us on holiday and help us to visit our family and friends. However, our mechanical friend can very easily become a mechanical killer when driven by the irresponsible and the reckless.

The last few weeks has seen two males being sentenced to over ten years a piece after both were found guilty, in separate cases, of culpable homicide when their driving resulted in the deaths of two children. Such selfish and reckless behaviour changes the lives of many forever. It also acts as a stark reminder to us all that every vehicle that is driven must be respected as the potential killer that it is.

Drug and drink driving is not an option and will be dealt with in the most severe sense by Police. Speeding and carelessness will not be tolerated either.

What chances have our young drivers when the example that more experienced drivers set for them is blatant disregard for the most basic of Road Traffic Legislation.

**George Simpson**

### Stay Safe this Bonfire Night

Remember, Remember the 5<sup>th</sup> of November! Across the country, people will celebrate Bonfire Night with colourful and exciting firework displays. If you do have a firework party at home, take care and always follow the Firework Code:

HOT  
HOT  
SCS

#### The Firework Code

- Don't drink alcohol if setting off fireworks
- Keep fireworks in a closed box
- Follow the instructions on each firework
- Light them at arms length using a taper
- Stand well back
- Don't return to a firework that has been lit
- Never put fireworks in your pocket or throw them
- Always supervise children around fireworks
- Light sparklers one at a time and wear gloves
- Never give sparklers to children under five
- Keep pets indoors
- Don't set off noisy fireworks at night, and never after 11pm
- 

You can download copies of the code in English, Hindi, Urdu, Punjabi, Bengali and Gujarati at [www.dti.gov.uk/fireworks](http://www.dti.gov.uk/fireworks)

## **Ward 02 – Currie, Juniper Green, Hermiston**

On the 10<sup>th</sup> a 14 year old male was charged with assault.

A 31 year old male has been arrested and charged with a Housebreaking in Lanark Road West.

## CURRIE PRIMARY SCHOOL & PARKING ISSUES

On the 29<sup>th</sup> October 07 children at Currie Primary school will be moving to their new school situated down Curriehill Road. I would like to take this opportunity to remind adults dropping off children, of the road markings in the area and exactly what is expected of drivers attending the school.

The yellow ZIG-ZAGS mean there is NO PARKING ALLOWED, anyone caught parking here at peak school times could receive 3 points on their licence and a £60 fine.

Yellow and double yellow lines are enforceable by the parking attendants and can incur a financial penalty.

Parking on the footpaths and verges create an obstruction to pedestrians and a fine of £30 can be levied.

These road markings are put in place to provide a safe environment for children attending the school. They are not just in place to upset drivers who are running behind time and feel they deserve to park right outside the front gates.

Myself, parking attendants and school staff will be around for the first few days of the school opening, please make sure you familiarise yourselves with the area before the first day of school and make the area in and around the school as safe as it can be for the kids of Currie Primary.

### CONTACT NUMBERS

**PC Mike Smith**
